### HISTORIC PIECE OF JEWELRY.

Mr. P. J. Murphy, the West Sec-  
ond street jeweler, has on display in  
his west window a very beautiful and  
historic piece of jewelry, a white lava  
bracelet-necklace combination be-  
longing to Mr. A. G. Sulser. The  
necklace has been in the Sulser fam-  
ily for nearly 100 years, having been  
made from white lava from Mt. Vesu-  
vius, which fell on the deck of a  
ship relative of Mr. Sulser was on.  
The lava was collected and a master  
artist of Venice carved busts of fa-  
mous historic characters on it and  
constructed the piece.

## HARNESS!

Years ago, when leather sold for nineteen cents a pound,  
our boast was that we made the best harness that could be  
made of good leather, good thread and good workmanship.  
Now, when that same kind of leather is selling for forty-nine  
and fifty cents a pound, we still maintain that we have the  
best harness that can be made. All you have to do to prove  
that we are telling you facts is to go to the next "sale," and  
hear Col. Hensley Hawkins say in that musical drawl for which  
he is so famous, "This is a set, gentlemen, of Mike Brown's  
Harness. What do you bid?" Then when you can see the  
farmer "set up and take notice," for he knows there will be  
some bidding on that harness.

This is the time of the year, when Harness is foremost in  
every farmer's mind, and this is the time of the year, also,  
when we are ready to sell him. All winter long our men have  
been making up harness for Spring trade, and now we are  
ready. Of course, it's higher than when our grandfathers  
used to buy it, but, considering the price of leather, it's a  
wonder how low in price and high in quality the Square Deal  
harness is.

Come in, gentlemen, we are ready to rig up those horses.

### J. O. U. A. M. TAKES IN CLASS OF EIGHT.

Limestone Lodge No. 256, Junior  
Order United American Mechanics, of  
this city, took a class of eight can-  
didates into their order Saturday  
night. The degree team from Gar-  
field Lodge, Bellevue, composed of  
seventeen men, came up and put on  
the work in first-class order. Among  
those present were State Counselor  
Liggett and State Treasurer Gerhard.  
This order has been reorganized here  
only recently and is growing rapidly.

### GREATLY ENCOURAGED

Is Judge G. S. Wall Over the Pros-  
pects of Obtaining Relief In the  
Charitable Institutions,  
of the State.

Garrett S. Wall of the State Board  
of Control, was encouraged in his ef-  
forts to obtain relief from over-  
crowded conditions in some of the  
State hospitals, by the action of the  
Senate in authorizing the Commit-  
tees on Appropriations and Charitable  
Institutions to visit the Central and  
Eastern hospitals and Institute for  
Feeble Minded.

Judge Wall said the Jefferson county  
grand jury has condemned the old  
kitchen and sewage disposal plant at  
the Central hospital as unsanitary and  
inadequate; the Franklin county  
grand jury has called attention to the  
conditions at the Institute for Feeble  
Minded and the necessity of better  
water service, hospital facilities and  
fire escapes. Fayette county grand  
juries have repeatedly condemned the  
wards for colored patients at the  
Eastern hospital.

The present grand jury, he said,  
threatened to indict some of the of-  
ficers for receiving patients in excess  
of the capacity of that hospital. If  
no relief is granted by this General  
Assembly, he said, three years will  
elapse before there can be any reme-  
dy, as it will take a year after the  
assembly of 1918 to erect new build-  
ings or repair the old ones. In the  
meantime insane persons and idiots  
adjudged hereafter will have to re-  
main in jail.

### TOUGH LUCK

Three Thirsty Individuals Got As Far  
As South Ripley With A Dime  
Each, But Returned With  
Only A Look.

Saturday afternoon the usual num-  
ber of citizens left here for Ripley to  
get their supply of wet goods with  
which to while away the idle hours  
of Sunday.

Among the number were three who  
had a limited supply of coin—just  
enough to put them in Ripley with-  
out the price of a drink.

Not thinking of the Ohio river be-  
ing between them and the coveted  
"goods," they arrived at South Rip-  
ley with 10 cents each—30 cents in  
the crowd.

The other eighty-nine of the crowd  
had already gotten safely onto the  
ferryboat before the three thought of  
their hard luck.

What was the use of spending their  
time for passage across the river if  
they had nothing with which they  
could quench their thirst upon arrival  
there?

And what was there in Ripley be-  
sides the "sousing goods" that would  
tempt them to a social visit?

The crowd went, filled up inside  
and outside, came back and found the  
three sitting at the depot almost  
drowned in their own slobbers so thir-  
sty were they for something besides  
water.

But the other fellows only had bare-  
ly enough to tide them over, and the  
three got on the train, took one long  
look at the disappearing lights of  
Ripley and exclaimed with an air of  
satisfaction:

"Well, we saw where it was to be  
bad, anyhow."

### TOBACCO SUPERVISOR'S REPORT.

Sales on the Maysville tobacco mar-  
ket last week totaled 2,120,710 pounds  
at prices ranging from \$3 to \$75, with  
a total average of \$11.12. Offerings  
were largely of medium and low  
grades, with but a limited quantity of  
fancy offerings. While there was  
some good averages on crop lots, any-  
thing clean sold at full prices. Sales  
were very fast and bidding spirited at  
all times. We feel sure there is a  
short crop and all buyers are eager to  
take all that is offered at full prices.  
Rejections not large.

W. MITCHELL, Supervisor.

### "A GIRL TO ORDER"

Delightful College Life Faree Given  
By High School Athletic  
Association.

"A Girl to Order," a rollicking col-  
lege faree in one act, was pleasantly  
presented by members of the Mays-  
ville High School Athletic Association  
at the High School auditorium Satur-  
day night before an audience which  
enjoyed the short entertainment im-  
mensely.

The troubles of an undergraduate  
who has been having too good a time  
"seeing life" were shown convincingly  
by James January as Dudley Elliott,  
who had an agreement with his col-  
lege friends, Puck, Bils and Lady, to  
fool his father, Mr. Elliott, which part  
was well portrayed by Charles Brown-  
ing. The father demanded an explana-  
tion for his son's extravagance and the  
attempts by the son led to complica-  
tion after complication, which are  
finally adjusted by the timely arrival  
of Margaret Smith, the real girl in the  
case.

A feature of the evening was music  
by the High School Orchestra. After  
the play the floor was cleared for  
several hours of dancing were enjoyed.

A neat sum was realized and will  
be used to send the basketball team,  
which has done such splendid work  
this season, to the State School Bas-  
ketball Tournament at Danville, on  
March 3, 4, and 5.

## THE HOME OF QUALITY CLOTHES

TWENTY-FIVE YEARS AGO MOST MEN WENT TO A CUSTOM BOOT MAKER FOR  
THEIR SHOES, BUT HOW MANY GO TODAY?

The shoe stores multiplied astoundingly because they sell more shoe fit, comfort and value  
than the custom boot maker. The ready-for-use makers have studied and classified every foot  
until they can fit it exactly. It is simply a matter of a courteous clerk measuring your foot  
to find the right standard, size and shape; then you have shoe satisfaction.

THAT IS TRUE OF CLOTHING ALSO. IN "HECHINGER" CLOTHES YOU CAN GET  
THE EXACT FIT YOU CRAVE WHETHER YOU ARE STOUT OR SLIM, TALL OR SHORT.

A very slight adjustment is probably all you need—this is possible because we have con-  
centrated fifty-five years of close study on the assembling of clothes that do fit. The values,  
the fabrics and the workmanship are high in keeping.

Make it a point to come in and let us prove it to you.

**D. HECHINGER & CO.**

## PRACTICAL UNDERWEAR

Practical in the dependable quality of fabrics, in the cut that assures comfort without sacrifice of correct lines, in the care-  
ful sewing and in the moderate prices. No wonder women are unbounded in their enthusiasm over the unapproachable val-  
ues in this sale.

The details of each garment are planned for satisfactory wear—no buttonholes ready to ravel or raw edges ready to tear.  
Measurements cut for a trim but easy fit which means plenty of freedom at neck and shoulders with tailored precision at  
waist and hips. And prices are all within the scope of women who want plenty of undermuslins without a great expenditure  
of money.
